Dear Parents and Caregivers

Well it is with great joy and a little relief that we have made it to the end of term 3. This has been a tough term for us with a lot happening within our community. Please continue to pray for families in our school community that are facing tough issues.

We have seen some steady growth in our pupil numbers and have a few new faces at Kingsview. We would love to welcome at the start of term 4 the following students:

Senior room: Joe Hurndell

Middler room: Summer Clarke

Junior room: Lola Li, Ollie Park, Rosie Semple, Isabella Stewart, Nikau Lacy

Kingsview Schools roll has climbed to 61 students today and by the start of term 4 we will be 67. This is a first for us.

Next term there will be no set day for PE as this will work around events(see below) with fitness slotting into the programme as it suits. We are continuing with the arts programme every Thursday afternoon.

Please enjoy the break and we look forward to warmer weather and exciting times.

Classroom happenings;

This week we have some photos of the Seniors exploring position and orientation through human battleships. Great fun!!!!

Here are some photos from the park expedition

Technology at School:

The use of phones and tablets at school is not permitted. If your child has a phone or device this must remain turned off in their bag or handed into the office for safe keeping. If you need to talk with your child please contact the office. If your child is using a device on the bus or way home, please remember that you are responsible for what they search or how that device is used. Caution is advised as sometimes they are encouraged to use these occasions inappropriately.

Please remember to send a jacket with your child each day. It's cold down on the field at break times. Please remember to wear the correct school uniform. We are beginning to get a few unacceptable variations being worn.
