Dear Parents and Caregivers

This week has been a very busy one especially for the senior class who have survived the near polar weather conditions on camp. It was amazing to see them battle through rather horrible conditions and engage in the activities and challenges they faced. Resilience is one of our virtues and this was evident in all the students over the last couple of days.

They will be very tired when they return today so the extra holiday on Monday is a real bonus. Below are some photos but it is hard to do justice to the amazing adventure they have had.

Next years school dates are below and please check the upcoming events this term.

**PLEASE contact me if you can help at the Athletics day Tuesday next week.**
