

24th July 2020

Hello Everyone

What a fantastic day we had on Coronet on Wednesday. The weather was kind to us and we witnessed some amazing progress from students who tried skiing for the first time. It has been a difficult job getting the ski day organised this year with NZSki. They are under pressure themselves with the fallout from Covid. Staffing issues and mountain availability meant that it has been a different experience this year. But as we witnessed on Wednesday, it is still worth the effort. A HUGE thank you to all the helpers on the day. These things are not possible without your help.

The start to Term 3 has been more 'normal' and the students are settling into life in the classroom. We continue to build community on Friday the 7th of August with the Family Fun Night and it will be good to catch up with you all then.

The Music programme is up and running again. Here are some of the Ukulele players in action.

Kia ora,

To people throughout New Zealand, Blair Vining was an extraordinary man: a man who turned his own tragedy into a battle to ensure better cancer care for his community.

The Southland Charity Hospital Trust was established in 2019 following Blair's epic fight to ensure all Kiwis have equitable access to cancer care, following his diagnosis of terminal bowel cancer in 2018. Once completed, the Southland Charity Hospital will provide free services to those in Otago and Southland who are unable to access the care they deserve, through the private or public health systems.

One of the things Blair liked to say to his wife, Melissa Vining, was simple: he reckoned if everybody bought a brick, together we could build the hospital. So that's what we're going to do: but we need your help.

On Friday July 31, 2020, we want to see schools and businesses hold a Casual Friday in support of Blair's legacy and **Buy a Brick Day**. We hope to encourage everybody to don red, white and black (the colours of the Blair Vining Sports Foundation) to raise funds that can be used to purchase a supporter's brick for the Southland Charity Hospital.

What are supporter's bricks?

The Southland Charity Hospital is by the community, for the community. Our hospital will not receive any Government funding.

Our supporter's bricks will be available for the public to purchase in exchange for a donation. These bricks will pave the pathway into the Southland Charity Hospital. Available to purchase at www.buyabrick.co.nz, for a donation of \$100 each brick will serve as a lasting tribute to the community support behind the Southland Charity Hospital. Each brick can be engraved with up to two lines, of 16 characters each. Cost to purchase a brick is inclusive of engraving.

Blair's Garden – commemorative plaques

As well as our supporter's bricks, the Southland Charity Hospital will also offer the public the opportunity to purchase a commemorative plaque in exchange for a donation.

For a donation of \$500, these commemorative plaques will serve as a lasting tribute to supporters of the Southland Charity Hospital. The commemorative plaques will be situated in Blair's Garden, to be created on-site at the Southland Charity Hospital premises. Plaques, like supporter's bricks, are available to purchase online.

How you can help

The team at the Southland Charity Hospital would be grateful if you were willing to show your support for our #buyabrick campaign. By holding a Casual Friday, and using the proceeds to purchase a supporter's brick, you will be changing the lives of the people within our community.

Buy a Brick Day will be held around New Zealand on Friday, July 31, 2020. Supporter's bricks will be available to [purchase online here](#). Further information about our #buyabrick campaign is also available on [our website](#).

Buy a Brick: other ways you can contribute

As well as its supporter's bricks, the Southland Charity Hospital will also offer the public the opportunity to purchase a commemorative plaque in exchange for a donation.

For a donation of \$500, these commemorative plaques will serve as a lasting tribute to supporters of the Southland Charity Hospital. The commemorative plaques will be situated in Blair's Garden to be created on-site at the Southland Charity Hospital premises.

Plaques, like supporter's bricks, will be available to purchase online from July 31, 2020.

If you're willing to get involved, please [register here](#).

You can also [become part of our Facebook event here](#) - we'd love to see your snaps of your red, white and black efforts on the day. We would love it if you would share this event and help us spread the word.

Also attached are posters (digital and print versions) to promote Buy a Brick Day.

We thank you for your support.

Nga mihi,
Alana Dixon-Calder
