

20th November 2020

Hello everyone

Mrs Bowman will be flying to Australia on the 3rd of December to support and be with her new grandchild. Early next year she will be getting a brand new knee which is a somewhat scary and major operation. Please pray for a successful operation and speedy recovery. Unfortunately we will not be able to make a fuss of her and let her know how much we appreciate and love her on the last day of school. If you are in and out of the school over the next while please stop in and have a quick chat with her. She will definitely be missed around the school and personally a big loss to me.

This week has been all about 'Bike week'. The students have had another amazing experience and we have a few tired people around the school. Just not the students.

Below are some photos of the week.

### Face coverings on public transport

This change took place on the 18th of November. Passengers on **school transport are not included in the requirement**. Drivers of school transport are however required to wear face coverings.

If your child is taking public transport to school - students under 12 are exempted from wearing face coverings on public transport.

**PLEASE** remember that students should be wearing the correct uniform to school. Grey plain track pants or shorts and the correct hoodie. If your child has misplaced their hoodie they need to check the lost property box.

Loan hoodies are available so please see me if you need one.

As with previous years class lists for next year will be handed out at the Celebration of Learning. A lot of time and thought is given to the make up of classes and involves taking ALL factors into account. Friendships and social factors are included along with year level, academic ability and overall class sizes. We are working hard to get this right going forward.

I can however tell you the teaching staff for next year.

Room 1 (year 1 students) - Mrs O'Shea

Room 2 (year 2,3 and possibly some 4) - Miss McKie

Room 3 (year 4,5 and possibly some 6) Mrs Cox

Room 4 (year 6,7 and 8) - Mrs Stevens

We are excited to welcome Mrs Kiesha Cox onto the staff for next year. She is an experienced teacher who previously taught in South Africa and more recently at Arrowtown School. For the last few months she has been leading the children's ministry for the Presbyterian Church in the Wakatipu Basin.

### **Message from NZCPT**

NZCPT would like to remind parents that outstanding school fees need to be paid in full by **20 November** where no Direct Debit payments are in place.

Please note that NZCPT will amend Direct Debit authorities for Year 8 students graduating this year and for students leaving at the end of this year as notified by the School, so parents do not need to contact their bank in this regard. DD will be stopped for leavers after the December payment has been processed, provided the account is up to date.

We request that parents who have an alternative payment plan in place, to make the necessary amendments to their payments at the full.

Statements are available on request by emailing [lynn@nzcpt.nz](mailto:lynn@nzcpt.nz)

## **Community Notices**

I am a Queenstown local running a charity campaign to get kiwi books delivered to kids in need this Christmas. Basically we are asking people to donate a new book, (preferably by a kiwi author or illustrator) which will then be given to the kids whose families are using the services of the Happiness House in Queenstown this Christmas.

It's a great, grass-roots cause, started in Auckland last year, but going nationwide in 2020. You can read about it here:
