Job Description

The Board considers that there are five key paradigms in which a successful Principal of a Christian School must be able to describe best-practice and demonstrate current understanding, knowledge and personal application in. These are:

- Curriculum
- Pedagogy
- Leading Learning
- Special Character
- Technology

Your application should address each of these areas in as much detail as possible, from your personal leadership experience. You should reference the research that you have personally undertaken in each paradigm, the conclusions that you have drawn, the application that you have implemented, the critical evaluation that has occurred and the embedded change that may have resulted.

The school's culture is founded on 4 Biblical virtues that directly impact on how we interrelate with parents, pupils, staff, and the wider community. These virtues are Resilience, Integrity, Compassion and Honour. Please consider these virtues in your application.

Person Specification

You will be able to speak to us about times in your life when you have been/are:

- A prayerful servant
- A worshipper of the triune God
- A pioneer
- A change leader for a period of 3 – 5 years
- A collaborative visionary
- A current researcher, reflective thinker and proactive practitioner
- An inspiring leader of others
- An experienced decision-maker
- Courageous in the face of adversity

Special Character

The special character of the School is that it is a non-denominational Christian school for boys and girls from Y1- 8. See www.nzcpt.nz for the relationship between the School and the Proprietor
