

4th September 2020

Hello everyone

The change of season bugs have certainly hit us. Please remember if your child is sick to keep them home until they are well. I myself have been laid low this week and went through the whole Covid testing scenario. I was cleared as negative yesterday just in time for swimming today. I am not sure if that is a blessing or not. It is important that we don't get complacent with the hygiene requirements and be vigilant with any sickness. One case in our school community would have a devastating consequence and see us in lockdown for some time. Look after yourselves and your kids.

Student work:

The amazing Room 1 students have celebrated 100 days at school this week. Below are some stories and photos. See if you can work out who these **old** people are.

Park and Ride

The Way to Go group made up of Queenstown Lakes District Council, Waka Kotahi NZ Transport Agency and the Otago Regional Council are exploring options for future Park and Ride services in key locations around the Wakatipu basin. This will play an important role in improving the wider transport network and providing local and visiting drivers with safer and more convenient options for getting around the basin.

It's early in the process but we've landed on a short list of possible locations for future Wakatipu Park and Ride services. We'd now like to test these options with the community to help guide our next steps. Feedback is open and will be received through an online survey up to 21 September 2020. More information and the survey can be found here <https://letstalk.qldc.govt.nz/wakatipu-park-and-ride-facilities>
