## Integrity

Tēnā koutou,

This term is flying by, to think we are already into Week 3!

For the next two weeks our School Wide Focus shifts from Resilience to the Value of Integrity.

Last week I spoke to the School about being Kaitiaki. Kaitiakitanga means guardianship and protection.

It is a way of managing the environment, based on the Māori world view. A kaitiaki is a guardian. Thank you and well done to the students pictured and many more who have been great kaitiaki and protectors of our local environment.

*Integrity - noun: the quality of being honest and having strong moral principles.*

During our recent move from Christchurch to Queenstown my brother in law who's a real petrol head, kindly offered to bring our EV down on a car transporter he would borrow free of charge. When here I noticed the rental sticker on the side of the trailer and made enquiries as to the cost of rental. It turns out his arrangement fell through and in order to keep his promise he paid for a transporter. A small anecdote, but one that to me speaks volumes about his integrity. He never made a fuss and above all wanted to keep his word even if it meant he was out of pocket. Needless to say he's a great guy and we reimbursed him!

A huge congratulations to those who have been selected this week, ka pai tamariki!

## Safety at School

Today at Whole School Assembly I spoke about the following 5 Safety precautions we need to take;

Sun hats and sun block - with the warmer weather we will be insisting that hats are worn for the safety of everyone this term.

Hand hygiene - Children, staff and any visitors need to have a high standard of hand hygiene. Sanitiser and soap and water is readily available in the appropriate areas all while we teach coughing and sneezing into your elbow.

Walking etiquette - Getting to and from our play area is important due to the road. This might be something to discuss, reinforce and model at home.

Road works - As mentioned in the week ahead we have infrastructure work scheduled in until Monday 8th November. Please take extra care when walking / driving around the worksite.

Shakeout - National Shake Out day occurred on last week. We have reviewed this process and will continue teaching the Drop, Cover, Hold model.

**Memory Verse: 2 Corinthians 8:21** "Our purpose is to do what is right, not only in the sight of the lord, but also in the sight of others."

## Monday Motivation

**"ATTITUDE IS  
A LITTLE  
THING THAT  
MAKES A BIG  
DIFFERENCE."**
